# GENERAL

The Card is a ISA-bus parallel printer card. It supports LPT1 LPT2, LPT3, LPT4, LPT5 or LPT6 and IRQ5 or IRQ7 in bidirection mode. During hardware reset the parallel port address will be selected. We can use jumper switch to setup the default parallel port. But in any time there is only one parallel port was by selected.

# FEATURES

* One bidirection printer port.
* Support LPT1, LPT2, LPT3, LPT4, LPT5 or LPT6 selectable.
* Support IRQ5 or IRQ7 selectable.
